Reglas finales de calidad

Logos

Siempre guardar en:

- SVG
- PDF vectorial
- PNG transparente

Web

Usar principalmente:

- SVG para logos e iconos
- WebP para imágenes
- MP4/WebM para vídeo

Archivo maestro

Guardar siempre:

- PNG o TIFF para imágenes finales
- Figma / PSD / AI para editables
- PDF print para impresión

Nunca depender solo de:

- JPG
- capturas de pantalla
- imágenes comprimidas de chat
- imágenes sin versión editable
- logos en raster si se pueden vectorizar
